

Likhtik iz Got's Velt

G-d's world is light.

Jewish folk tune
Lyrics - M. Rivesman

arr. P. Shepherd

Come out, children, spring is calling. The sky is blu, the air is clear. Spring flowers give out sweet smells and waters ripple in the river. Run into the field.

Birds sing and twitter, flying and soaring in the sky. Hop and dance for God's world is light.
